Brother Nels Memorial Thanksgiving Food Drive (November 12th - November 18th)

The Pastoral Care Department's Brother Nels Memorial Thanksgiving Food Drive starts **Monday, November 12th and will run through Sunday, November 18th**. Brother Nels was a member of the Camillian Order who established this yearly Food Drive. This year's food donations will be made to the Silver Spring Neighborhood Center which serves more than 8,000 individuals and families each year through programs that help them reach self-sufficiency including their Food Pantry. In 2017, they served just under 4,000 people, and they did see an increase in the number of children in families who receive emergency food services. They have also added a baby sanctuary to their services, so donations of diapers and formula are needed as well. If you would like to donate, please place your nonperishable items either on the designated table in the Atrium at San Camillo. **Please be aware that expired or open food items cannot be accepted, so please check before donating.**

Thanksgiving Day Mass Schedule
